November 23, 2020

Good afternoon. The district received news today that two additional faculty members have been lab confirmed with a positive COVID-19 report. Our school nurse has already contacted anyone that may need to quarantine out of an abundance of caution. For your reference, we now have 11 lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 2 positive COVID-19 cases.
- Middle School – 4 positive COVID-19 cases.
- Elementary School – 2 positive COVID-19 cases.
- Faculty – 3 positive COVID-19 cases.

As a reminder, the week of November 30 through December 4, 2020 the Bridgeport School District will operate using our remote learning model for all students PS – 12th grade.

Also, if you would like to put in an order for breakfast and lunch for your children next week, please leave Mrs. Burlenski a message at 740-635-0853 extension 4290 by 3 PM today. Please leave her a message with the number of children that you are ordering for as well as each child's grade level. Mrs. Burlenski will not be returning calls after you place your order, but will be writing names down for all students that have ordered. Pick-up will be on Monday and Thursday in the back of the school from 10:30 am through 12 p.m., just as we did last year.

Thank you, have a great day and as always, Go Dogs!

Brent Ripley
Superintendent
Bridgeport EVSD
