Good evening. The district received news today that one additional faculty member has been lab confirmed with a positive COVID-19 report. Our school nurse has already contacted anyone that may need to quarantine out of an abundance of caution. For your reference, we now have 12 lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 2 positive COVID-19 cases.
- Middle School – 4 positive COVID-19 cases.
- Elementary School – 2 positive COVID-19 cases.
- Faculty – 4 positive COVID-19 cases.

I would like to thank you in advance for your assistance in having your children complete their remote learning this week. Should you or your child have any questions concerning their work, please reach out to the teacher and they will be happy to help you through this process.

Also, if you did not get the chance to submit an order for free breakfast and lunch and would like to, please leave Mrs. Burlenski a message at 740-635-0853 extension 4290 by 3:00 p.m. Wednesday. You may leave her a message with the number of children that you are ordering for as well as their grade level(s). Anyone that picked up an order today, will not need to call Mrs. Burlenski as her team is preparing to pack meals for you again this Thursday. Mrs. Burlenski will not be returning calls after you place your order, but will be writing names down for all students that have ordered. Pick-up will be on Thursday in the back of the school from 10:30 am through 12 p.m., just as we did last year.

Thank you, have a great day and as always, Go Dogs!
