December 7, 2020

Good evening, this is Brent Ripley, superintendent of the Bridgeport School District. I wanted to reach out to you this evening to let you know that we did have one elementary and one middle school student receive a positive COVID19 lab report. Below is the district breakdown for your reference as of December 7, 2020.

- High School – 1 positive COVID-19 case.
- Middle School – 1 positive COVID-19 case.
- Elementary School – 1 positive COVID-19 case.
- Faculty – 0 positive COVID-19 cases.

To gently remind you, Tuesday and Wednesday, students in Group A will attend Bridgeport as normal. On Thursday and Friday, Group A students will complete their work from home.

Students in Group B will complete their work from home on Tuesday and Wednesday then will report to Bridgeport on Thursday and Friday.

Our Hybrid Model is 5-days of full instruction. Parents, please remember to have students do their assignments whether they are learning from home or if they are attending Bridgeport in person. If you are still unsure of your child's group, please contact your child's teacher.

Thank you, have a great evening and as always, Go Dogs!

Brent Ripley
Superintendent
Bridgeport EVSD
