December 8, 2020

Good evening, this is Brent Ripley, superintendent of the Bridgeport School District. It was so nice having students back in the building today. I wanted to reach out to you and let you know that we did have one middle school student receive a positive COVID19 lab report. Below is the district breakdown for your reference as of December 7, 2020.

- High School – 1 positive COVID-19 case.
- Middle School – 2 positive COVID-19 cases.
- Elementary School – 1 positive COVID-19 cases.
- Faculty – 0 positive COVID-19 cases.

Wednesday, students in Group A will attend Bridgeport as normal. On Thursday and Friday, Group A students will complete their work from home.

Students in Group B will complete their work from home on Wednesday then will report to Bridgeport on Thursday and Friday.

Parents, please remember to have students do their assignments whether they are learning from home or if they are attending Bridgeport in person.

Thank you, have a great evening and as always, Go Dogs!
