December 14, 2020

Good evening. The district received news today that one additional middle school student and a faculty member have been lab confirmed with a positive COVID-19 report. Since the student nor faculty member have not been in school since Thanksgiving, there will be no students nor faculty directed to quarantine. For your reference, we now have 4 lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 0 positive COVID-19 cases.
- Middle School – 2 positive COVID-19 cases.
- Elementary School – 1 positive COVID-19 case.
- Faculty – 1 positive COVID-19 case.

As a reminder, the week of December 14 - 18, 2020 the Bridgeport School District will operate using our hybrid learning model for all students PS – 12th grade.

Thank you, have a great evening and as always, Go Dogs!

Brent Ripley
Superintendent
Bridgeport EVSD
