Good morning. The district received news that one middle school student has been lab confirmed with positive COVID-19 report. Our school nurse has already contacted anyone that may need to quarantine out of an abundance of caution. For your reference, we now have 7 active lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 0 positive COVID-19 cases.
- Middle School – 1 positive COVID-19 case.
- Elementary School – 1 positive COVID-19 case.
- Faculty – 5 positive COVID-19 cases.

As a reminder, the Bridgeport EVSD will be on a remote learning schedule for all students during the week of January 4 – 8, 2021.

Thank you, and as always,

Go Dogs!
