Good afternoon. The district received news that one faculty member and one middle school student have been lab confirmed with positive COVID-19 report. Our school nurse has already contacted anyone that may need to quarantine out of an abundance of caution. For your reference, we now have 4 active lab confirmed positive COVID-19 cases in our school district. With our return to school, we had 4 faculty and one elementary student report a full recovery from COVID. The breakdown of our active cases is listed below:

- High School – 0 positive COVID-19 cases.
- Middle School – 2 positive COVID-19 cases.
- Elementary School – 0 positive COVID-19 case.
- Faculty – 2 positive COVID-19 cases.

Thank you, and as always,

Go Dogs!
