Good evening! The district received news that two high school students have received lab confirmed positive COVID-19 reports. Of these two students, one is a student through our online program and one was already quarantined at home prior. Our school nurse has already contacted anyone that may need to quarantine out of an abundance of caution. For your reference, we now have 5 active lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 3 positive COVID-19 cases.
- Middle School – 0 positive COVID-19 cases.
- Elementary School – 0 positive COVID-19 cases.
- Faculty – 2 positive COVID-19 cases.

Thank you, and as always,

Go Dogs!

Brent Ripley
