Good morning. Yesterday evening, the Bridgeport Elementary School had its 1st lab confirmed positive COVID-19 case reported. Our school nurse is working with the teacher and principal so they may identify anyone that may need to quarantine out of an abundance of caution. For your reference, currently we now have 5 lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 2 positive COVID-19 cases. Both of these students should return to school after Thanksgiving break.
- Middle School – 2 positive COVID-19 cases. Both of these students should return to school after Thanksgiving break.
- Elementary School – 1 positive COVID-19 case. This student will also be eligible to return to school after Thanksgiving break.
- Faculty – 0 positive COVID-19 cases.

On behalf of the Bridgeport School District, I want to wish you all great weekend. Thank you, and as always, Go Dogs!

Brent Ripley  
Superintendent
