Kori Rosnick, Member

November 22, 2020

Good evening. I received news that one additional student in the Bridgeport Middle School as well as one Faculty Member have been lab confirmed with a positive COVID-19 report. Our school nurse has worked with the appropriate principals so they may identify anyone that may need to quarantine out of an abundance of caution. For your reference, currently we now have 7 lab confirmed positive COVID-19 cases in our school district. The breakdown of our active cases is listed below:

- High School – 2 positive COVID-19 cases. Both of these students should return to school after Thanksgiving break.
- Middle School – 3 positive COVID-19 cases. All of these students should return to school after Thanksgiving break.
- Elementary School – 1 positive COVID-19 case. This student will also be eligible to return to school after Thanksgiving break.
- Faculty – 1 positive COVID-19 cases. This faculty member will be eligible to return to school after Thanksgiving break.

On behalf of the Bridgeport School District, I want to wish you all great Sunday evening. Thank you, and as always, Go Dogs!

Brent Ripley  
Superintendent  
Bridgeport EVSD
