

APPENDIX A

iPad Optional Protection Plan

Bridgeport Exempted Village School District recognizes that with the implementation of the "iPad for every student" initiative, the priority is to protect the investment by both the district and the student/parent/ guardian.

An optional non-refundable protection plan is available for \$25.00 **per school year** for each iPad for students in grades 3 through 12 with a maximum cost of \$75.00 per family **per school year**. Each school year, parents or students (if 18 years of age or older) must make the decision whether or not to purchase this Optional Protection Plan. This decision must be made prior to receiving an iPad. Personal Mobile Computing device agreements are good for one school year, beginning the first day of school through the end of the school year, unless the agreement is terminated earlier.

The Optional Protection Plan provides one-time coverage for replacement or repair of the iPad device due to accidental damage. This plan will

provide for parts and repairs related to damage incurred as part of that single incident during the coverage period. Any additional repair due to additional accidents and damage will cost the student/parent/guardian the cost of repair. The Optional Protection Plan does not cover a lost charging block or charging cord; however, it does cover repair.

Any device replacement due to the following will cost the student/parent/guardian the replacement cost (\$294.00) of an iPad:

- Loss, which is defined as: 1) the location of the device is unknown/misplaced or 2) the device cannot be returned to the district for any reason.
- Theft without an Optional Protection Plan.
- Taking the iPad to an outside vendor for repair.
- Theft with an Optional Protection Plan but without a police report filed within 72 hours.
- Device damage through misuse, abuse, negligence or intentional damage. (Includes the iPad, case, charging block, and/or sync cable)
