Step 8. After you have completed the Department of Education Profile Creation pages, you will receive a validation code in a confirmation email. Enter the information requested, including the validation code, in the confirmation dialog box and click **Continue**.

You are now ready to access the CORE system. Please proceed to the ***Request an Educator State ID*** section of this manual.

REQUEST AN EDUCATOR STATE ID

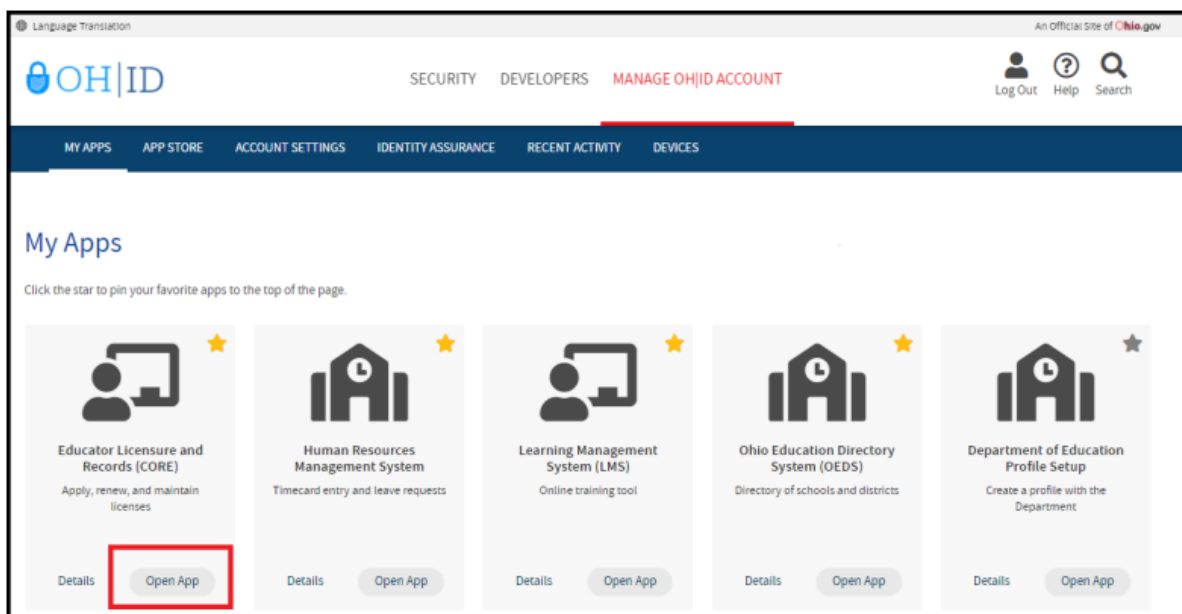

The Ohio Department of Education creates and assigns Educator State ID numbers to individuals for use in the CORE system. The Educator State ID is necessary to complete an application for licensure. Educator State IDs also help Department staff identify and eliminate the occurrence of duplicate records in the Department's database.

Please complete the following steps to request an Educator State ID:

Step 1. First, you must have an OH|ID account and create a Department of Education Profile. If you have not completed these steps, please follow the instructions beginning in the *Create an OH|ID Account* section of this manual.

Step 2. After you have created an OH|ID account and Department of Education Profile, navigate to <https://ohid.ohio.gov> and log in to your OH|ID account.

Step 3. Click the **Educator Licensure and Records (CORE)** tile under **My Apps** where you will complete your application requests.

Step 4. Click **My Profile** in the red ribbon at the top of your CORE Dashboard.

Step 5. Click **Obtain Educator State ID** and answer the questions in the pop-up box. If you answer **Yes** to any of these questions, you already have an Educator State ID. You may be prompted to select an account that matches your demographic information. Once you have answered all the questions correctly, your Educator State ID will be assigned automatically and appear on your CORE Dashboard under **My Educator State ID**.

Please note: If you are a credentialed educator in the State of Ohio, you already have an Educator State ID. You will see it on your CORE Dashboard under **My Educator State ID** and in My Profile under **Educator State ID**.

IF you are a credentialed educator in the State of Ohio **and** the **Obtain Educator State ID** button appears, you may have a duplicate record. This requires maintenance in the Department's data system.

DO NOT click Obtain Educator State ID if you are a credentialed educator. Please contact Educator Licensure Customer Support at Educator.Licensure@education.ohio.gov to correct the duplicate records.

Obtain State ID

Please select Yes or No to the questions listed below:

Have you ever requested educator licensure from the Ohio Department of Education?	Yes	No
Do you have an Issued or Expired educator license, certificate, or permit in the State of Ohio?	Yes	No
Are you currently an enrolled e-Signer for licensure requests in the CORE system?	Yes	No

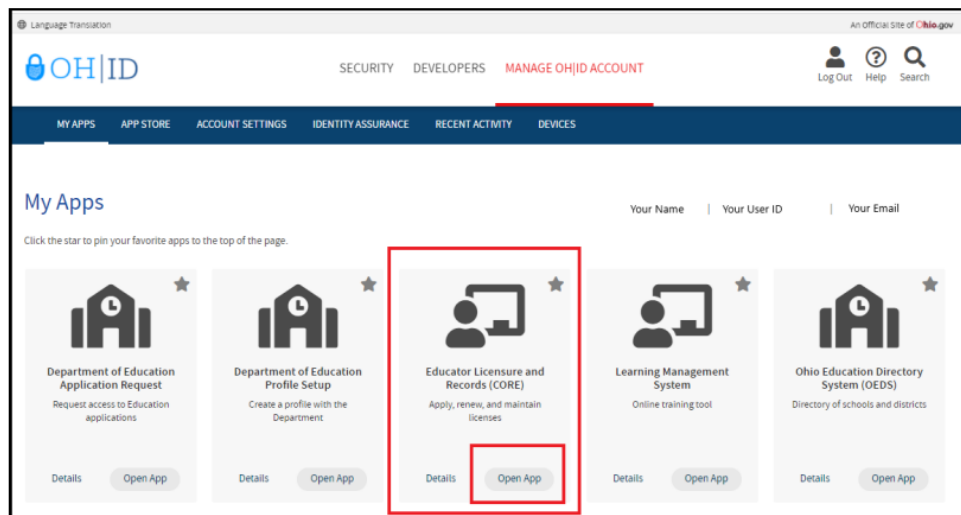

Close

You are now ready to access your CORE Dashboard and submit an application for licensure. Please go to the **CORE Dashboard** section of this manual for important information regarding your CORE Dashboard.

ACCESS THE CORE SYSTEM

Once you have set up your OH|ID account and created your Department of Education profile, you may log in and access the CORE system.

Step 1. Begin by navigating to <https://ohid.ohio.gov> and log in to your OH|ID account. Then click **Open App** in the Educator Licensure and Records (CORE) app to access your CORE Dashboard where you will complete your application requests.

Please note that if you have never been issued an Educator State ID number before, you must complete the process and obtain one before you can submit an online licensure application. See the ***Request an Educator State ID*** section of this manual before continuing.

Since you have created your Department of Education profile, the Department of Education's apps may have already populated under **My Apps**. RENEWING SUBSTITUTE TEACHING LICENSE

Step 1. From your CORE Dashboard under **My Credentials**, select the **Action** button next to your previously issued credential and select the **Renew** from the dropdown menu.

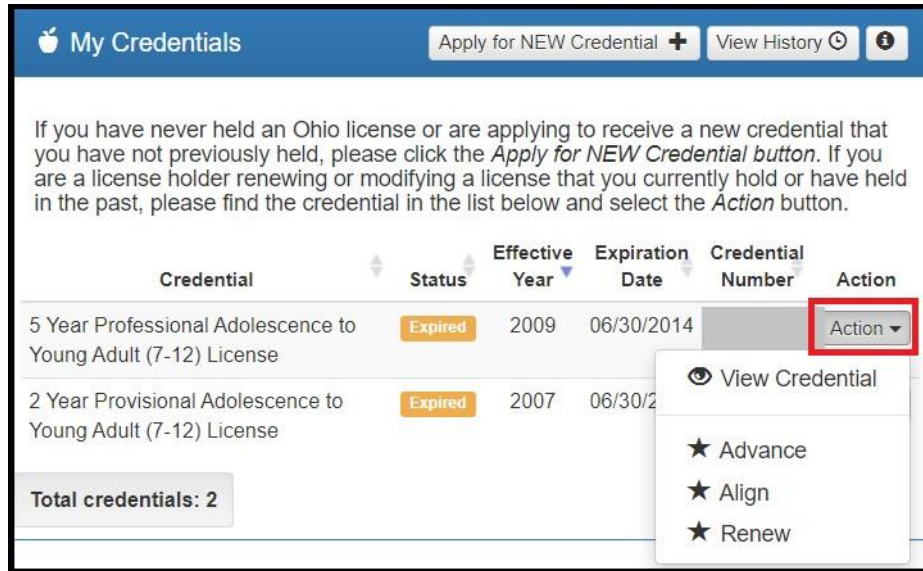

Step 2. Complete all Steps outlined beginning on page 20 under **Substitute License**

RENEWING PROFESSIONAL LICENSE

Please note: The information provided is intended for substitute teachers with a Professional License. If you are employed by a district or the ESC, please consult your LPDC before beginning the renewal process.

Step 1. To begin, complete above Steps 1-3

Step 2. From your CORE Dashboard under **My Credentials**, select the **Action** button next to your previously issued credential and select the appropriate action from the dropdown menu, such as **Advance**, **Align**, **Renew**, or **Transition**.

Step 3. For those renewing a teaching license, you will need to indicate how you met renewal eligibility requirements if you are renewing a professional administrator, educator or pupil services license. If you are employed in an Ohio school or district and renewing through your Local Professional Development Committee (LPDC), for example, you will indicate that in the application under the **Renewal Eligibility** section of the application.

The screenshot shows the 'Renewal Eligibility' section. It starts with a header 'Renewal Eligibility' and a sub-header 'Please select how you are renewing:'. There are three main options, each with a radio button:

- ☒ Renewing through an Ohio Local Professional Development Committee (LPDC). (This is the required method of renewal for most employees of Ohio Schools.)
- ☐ Renewing with one or more of the following:
 - College coursework
 - A completed "Ohio Educators Leaving an LPDC" form
 - Out of state teaching experience and professional development
- ☐ Renewing with a license issued by one of the following state of Ohio Boards:
 - Ohio Board of Nursing
 - Occupational Therapy, Physical Therapy, Athletic Trainers Board
 - The Ohio Board of Speech-Language Pathology and Audiology Board
 - Counselor, Social Worker and Marriage ' & ' Family Therapist Board
 - State Board of Psychology

Substitute Teachers renewing a Professional License need six semester hours of coursework related to classroom teaching or area of licensure from an accredited two-year or four-year institution of higher education completed after the last issue date of the expiring license. Educators must complete all renewal coursework and submit their renewal application prior to October 1 of the expiration year of the license to be renewed, or the renewal requirement increases to nine semester hours.

Please note that the Department DOES NOT pre-approve coursework. Renewal requirements are in place to keep educators abreast of best practices in the field and the latest research findings. Classroom dynamics change constantly, and continuing education helps teachers find new ways to reach students and help them succeed. All coursework must lead to new knowledge in the P-12 classroom and be related to student success, wellness or achievement. Renewal coursework must be relevant to classroom teaching or area of licensure. The Department will also consider coursework completed for an additional P-12 licensure area for renewal of an expiring license. Courses which provide credit for completing routine teaching duties and responsibilities and courses in which the curriculum is selected by the educator rather than the university will not be accepted, even if reflected on an official transcript from an accredited.
