

**Future Bridgeport Bulldogs Reading Program**  
**Enrollment Form**

Due to the generous donation from the Bridgeport Education Assistance Foundation (BEAF), we can provide, to ALL parents/caregivers of “Future Bridgeport Bulldogs,” access to videos of our teachers reading books to your child(ren) AND the **FREE** Book to go along with the video. As we know, children that are read to at home and then attend preschool are typically much better prepared for their future. Therefore, to get this great resource to you, we ask that you complete the information below. Once this form is completed and returned, a staff member will reach out to you for “next steps” as to how to access the videos. We ask that you complete one section for each child (ages birth to three/four-years-old) that is in your home and not yet in school. Send the completed form(s) back to school with your school-aged child.

Please list the names and grades of your children that are school-age and currently attend Bridgeport:

School Age Child(ren) Name(s)	Grade Level (2021-2022)

**Complete the information below for each child (ages birth to three/four-years-old) that is in your home and not yet in Kindergarten.**
