March 13, 2020

Dear Parent/Legal Guardian,

Due to the school closures in Ohio, there will be no school personnel on the Bridgeport School District campus for the next three weeks. Through this time, if you are in need of any assistance that I can provide, feel free to contact me. I will be available via email at: holly.garvin@bridgeportschools.net or hgarvin@bellairesd.org. You can contact me anytime during the school closure if you are in need of anything, or if your child is in need of anything. Whether it be emotional or something you may need for your home, please do not hesitate to contact me. Resources are available, please reach out so I can assist if needed. Please, also feel free to let your child contact me, via either of the email addresses listed above, if they have access to email.

Sincerely,

Holly Garvin, BA, OCPS, RA
Student Services Prevention Specialist
